GAUTIER

Stylish French Living

Ready to experience
a new Adventure ?

A close-up photograph of a wood surface with a prominent grain pattern. A large, irregular circular hole has been cut into the wood, revealing the inner layers. The wood is a warm, medium-brown color with varying textures and tones.

Our philosophy

“

We see the world as it is.
A world of color.
A modular world.
Renewable resources.
Cities to invent.
A warmth to be found.
Spaces to share.
Fates that intersect.
The desire for things to last.
Know that they can change.
Furnish, live.

”

A family story

Three generations, **one passion.**
The love of **well done** work as a heritage.

These values drive us every day
